#### INDEPENDENT AUDITOR'S REPORT IN THE FINANCIAL STATEMENTS TO GENERAL BODY OF TAUNGYA

#### Opinion

We have audited the financial statements of Financial Position of "TAUNGYA", which comprise the Statement of Consolidated Financial Position as at 30<sup>th</sup> June 2022, Statement of Comprehensive Income & Statement of Receipts and Payments Accounts for the year then ended 30<sup>th</sup> June 2022, and notes to the financial statements, including a summary of significant accounting policies and explanatory notes.

In our Opinion, the accompanying financial statements of the Financial Position of "TAUNGYA" give a true and fair view of the financial position as at 30<sup>th</sup> June 2022 and its financial performance, Statement of Receipts & Payments for the year then ended in accordance with International Financial Reporting Standards (IFRS) and other applicable laws and regulations including MRA guidelines.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls.

Management is responsible for the preparation of financial statement that give a true and fair view in accordance with the Accounting policies and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

#### Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

info@salamandcobd.com salamandco.ca@gmail.com

www.salamandcobd.com

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, international omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting polices used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's reports to the related disclosers in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going
- Evaluate the overall presentation structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underling transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planed scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

#### Report on other Legal & Regulatory Requirements

We also report the following:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof.
- b) In our opinion, proper books of accounts as required by law have been kept by MRA ACT & Rules have been kept by "TAUNGYA" so far as it appeared from our examination of these books, and

c) The statement of financial position and statement of comprehensive income dealt with by the report are in agreement with the books of account.

#### **Notes to the Financial Statements**

FOR THE YEAR ENDED 30<sup>TH</sup> JUNE, 2022

#### 1.0 Background of Taungya:

Taungya was formed in 1995 as an unincorporated body. It was called the Committee for the Protection of Indigenous Culture. The primary focus was on indigenous culture because it was felt that the cultural fabric of indigenous society was being threatened by external interventions that were not in conformity with the rights, needs, and aspirations of the peoples of the Chittagong Hill Tracts (CHT). Later the scope of the organization was broadened to include the themes of development and environment, thereby also employing a wider perspective on indigenous culture. The organization was also renamed Taungya in the year of 1996, and was finally registered with the Department of Social Welfare in 1998 and with the NGO Affairs Bureau in 2001.

#### Present Programs of the Organizations:

- a. General Fund Account
- b. IPAF Project
- c. OLHF Project
- d. Taungya-AVCB in CHT 000115133
- e. Taungya-AVCB-Project (Rang Pack-A, Part-I)
- f. LEAN Project

#### 2.00 Corporate Information of the PO

Name of the Organization	TAUNGYA
Year of Establishment	1995
Legal Entity	Directorate of Social Welfare of Govt. of Bangladesh. Vide registration NoRangamati-94 dated: 01.03.1998 and also has the Registration from NGO Affairs Bureau vide No. 1537 dated: 18-06-2000 & Renewal dated: 17-06-2022.
Nature of operations (programs)	General & Others Fund Account
No. Of Executive Committee meeting held on 2021-2022	07
Date of last AGM held	21/11/2020
Name of the Statuary Auditor for Last Year	Mizan Islam & Co.
Name of the Statuary Auditor for Current Year	Salam & Co.

#### 3.00 Mission and Vision of the Organization

#### a) Mission of the Organization:

Taungya believes in cultural pluralism and basic rights of all peoples and communities.

#### **Cultural Pluralism**

The organization has members from various indigenous peoples of Chittagong Hill Tracts and from among the Bengali-speaking residents of CHT. The members are in various professions, i.e. educationists, cultural activists, journalists, lawyers, physicians, engineers, businesspeople, etc. IT believes in the rights of all peoples, and seeks to help protect the culture and rights of those indigenous peoples with small populations.

#### Self-Reliance

Taungya believes that programmes on socio-economic activities can bring sustainable and culturally appropriate progress in the long run only through local self-reliant initiatives. It therefore, believes in having a clear exit strategy prior to making any project interventions. It works only with the consent of communities and is totally against creating unsustainable external dependencies.

#### **Community Empowerment**

It believes in strengthening the CHT communities, especially those who live in "remote" areas. It is respectful towards the strong communitarian traditions of the indigenous peoples and promotes cooperative and collective efforts by drawing upon ancient indigenous customs and traditions while employing modern day information technology wherever appropriate and available.

#### Equity

It strongly believes in human rights and the principle of equity. It promotes eradication of racial and religious discrimination and the eradication of discrimination against women. It tries to address the needs of socially and physically disadvantaged groups. It also seeks to respect different generations and the rights of children.

#### b) Vision of the Organization:

In order to ensure that Taungya is successful in achieving its stated goals it is important that Taungya has a fair idea of the likely nature of social, cultural and economic changes in the coming years and decades. These developments will no doubt be both positive and negative. Other changes will be value-neutral or combine aspects of both positive and negative elements. We intend to keep these likely developments in mind when planning any type of interventions. Some changes seem almost inevitable. These include improvements in transport and communications, advances in communications technology, easier marketing of farm produce, and greater social mobility. On the positive side we see better prices for farmers, greater access to health services and education, greater gender sensitivity and cheaper and more accessible tale and cyber communications. On the negative side, we see rising differences of income, land alienation of indigenous communities, marginalization of poor farmers and unskilled laborers, ethnic and class conflicts, food insecurity and environmental degradation (including deforestation and mining activities). Other changes include in-migration and out-migration, greater social mobility, greater social interaction between different ethnic and religious groups, further urbanization, etc. The above permutations are based on the assumption that the forces of globalization will continue to shape economic policies in Bangladesh and lead to the faster monetization and marketisation of the CHT.

Even if the process of globalization that is currently taking place is weakened or reversed in the near future, we feel that the CHT will still continue to be integrated into the Bangladeshi market at a very fast pace . This is because the CHT is still rich in natural resources. Therefore, it is of the utmost importance to ensure that CHT society can achieve at least moderate success in human development. Without educational progress, social and economic progress will not be possible, and the people of the CHT will continue to be marginalized politically as well. Thereby, their cultural integrity will also be threatened.

We mention many areas in our policy goals, but we are aware that it is not possible for Taungya to work on all or even most of the aforesaid issues in the next few years. Therefore, our Action Plan will fine-tune in on our proposed activities in the short, middle and long terms. We are aware that priorities may also change over time.

Taungya intends to be a catalyst towards the articulation of the development perspectives of the people of the CHT and their views on indigenous culture and environment, among other things. Therefore, it is important that Taungya's work has an impact on the greatest number of people possible. However, Taungya realizes that given the shortcomings of a voluntary organization, it will not be possible to be in direct contact with the entire population of the CHT. Therefore, the emphasis will be to combine efforts aimed at reaching the greatest number of people directly, through specific projects and dialogues, and through indirect means such as networking with other organizations and through its research and advocacy activities. Formal and informal publications will play a key role in this regard.

#### 4.00 List or Executive Committee Members

The affairs of the Organization have been entrusted to an Executive Committee consisting of 11 (Eleven) members elected in the Annual General Meeting (AGM). The following persons were in the Committee during the Period of our Audit.

SL. No.	<u>Name</u>	<b>Designation</b>
1.	Raja Devasish Roy	Chairperson
2.	Md. Abdul Mamun	Vice Chairperson
3.	Mis. Nirupa Dewan	Vice Chairperson
4.	Dr. Parash Khisa	Secretary
5.	Mr. Amlan Chakma	Joint Secretary
6.	Mr. Rajib Chakma	Treasurer
7.	Adv. Susmita Chakma	Member
8.	Mr. Anjan Chakma	Member
9.	Mis. Uttara Tripura	Member
10.	Mis. Kabita Chakma	Member
11.	Mis. Prativa Thangya	Member

#### 5.00 Basis of preparation of Financial Statements

#### a) Basis of Accounting:

The Accounts have been prepared in Accordance with the Generally Accepted Accounting Principles (GAAP) which is Consistent in all Material Respects with Bangladesh Accounting Standard (Bas) as Adopted by the Institute of Chartered Accountants of Bangladesh (ICAB). Proper Books of Accounts Including Cash Book and Ledger have been maintained.

- b) Accounts have been maintained on Accrual Basis.
- Fixed assets are reflected at written down value, at cost less accumulated depreciation.
- d) Depreciation on Fixed assets has been charged on straight line method during the year at rates varying from 10% to 20% based on the estimated effective lives of the assets.
- e) Figures are rounded off to the nearest Taka.

Previous year's figures are rearranged where even considered necessary to confirm to the current year's presentation.

#### 6.00 General

- a) Auditors; Salam & Co., Chartered Accountants have checked approximately ninety percent (90%) vouchers of Taungya of General & Others Fund Account.
- B) Salaries of the employees were disbursed through bank account.
